

Stuck?

If you can't answer the whole question, try to answer part of it.

Stuck?

Have you explained the key words? This may help you answer the question.

Stuck?

Can you give an example? This will give you a mark.

Stuck?

Miss out this question for now and move on to the next one.

Stuck?

Be brave! It's always better to get the answer wrong than to not answer at all.

Stuck?

In your head, try to picture the page on this topic from your textbook or notebook. This may help you remember what it says.
